JOHN A. ROLFES, JR., Office Manager, Waterman of Puerto Rico Steamship Lines, Room 818, National Bank of Commerce Building, advised that he did have in his employ one individual from Nicaragua. He stated that this individual's name was ALEXIS GUILLEN who was just married and currently is on his honeymoon (whereabouts unknown) until December 16, 1963. Mr. ROLFES further stated that GUILLEN is an office employee who works in the main office and the only time he could be around the International Building would be on his lunch hour. Mr. ROLFES stated that he often goes to the International Building and after viewing photos of those persons who were photographed with LEE HARVEY OSWALD in front of the International Trade Mart passing out the Fair Play for Cuba Committee leaflets, stated that he recognized no one.
